📁 EXPERIENCE

Freelance Web Developer

Web Developer(Freelance)

Rosellmb [↗](#)

06/2022 – present | Winnipeg, MB, Canada

- Created the Rosellmb's website from scratch using core web technologies along with Contentfull CMS to manage all listed products.
- Designed and developed the e-commerce website to look and function according to client specifications.
- Integrated the Google Places API to add place search and autocomplete functionality to avoid any errors in filling out the address for correct delivery to the customer.
- Currently, we are working to add a database system to the website to manage a large amount of product data that is going to be available for purchase soon.
